FOR IAN FOUNDATION

Established November 15, 2016

https://www.forian.org/

For Ian Foundation was established in memory of Ian Rahimi, of Mahwah, NJ, who lost his battle with a rare cancer on November 15, 2015 at the young age of 19.
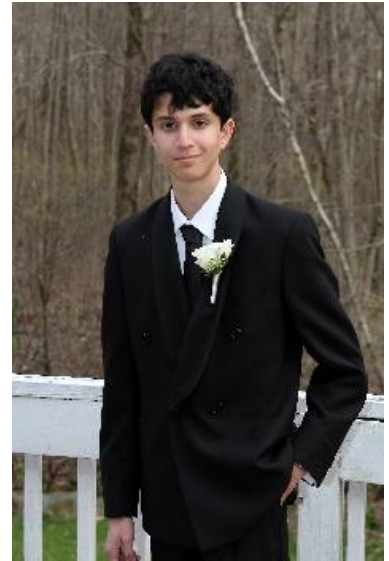

For Ian Foundation is a 501 (c)(3) public charity dedicated to raise funding for scientific research towards management and possible cure of SDH deficient cancers including GIST (Gastrointestinal Stromal Tumor), Paragangliomas, and other related pediatric cancers.

In addition to our other fund-raising efforts throughout the year, every year on February 13, Ian's birthday, we hold our largest campaign.

We ask family, friends and all others to join our cause to help celebrate Ian's life by wearing and/or displaying Ian's favorite color, **GREEN**, and send us your pictures.

Please visit https://www.forian.org/archive to view the tributes in pictures from 2016, 2017, and 2019. The generosity of so many who participated and made donations raised significant funding towards the Foundation's goal of supporting much needed research.

This year we are providing **GREEN FOR IAN 2020 FLAGS** and hope that we will get 100s of pictures of supporters displaying these flags and/or wearing their favorite **green** apparel. Please visit https://www.forian.org/contribute/ to make a tax deductible contribution and request the number of flags you would like. You can also write to for.ian.foundation@gmail.com and request flags to take pictures with.

Please email your pictures to:for.ian.foundation@gmail.com
