Dear Family and Friends,

As we have done for the past few years, once again, we ask that you come together and participate in **GREEN FOR IAN-2020**.

On Feb 13, 2020, Ian's birthday, in what has become an annual tribute to Ian's life we are asking you to wear and/or display the color **GREEN** and send us your pictures. This February, Ian would have been 24 years old but he will forever be 19 in our hearts and minds.

Please visit <https://www.forian.org/archive> to view the tributes in pictures from 2016, 2017, and 2019.

These beautiful tributes accompanied by generous charitable contributions from so many of you, and your employers who matched your contributions, allowed us to achieve our goal of \$30,000 for the 2019 campaign and begin to finance meaningful scientific research towards SDHB deficient cancers. Thank you.

This year we should be able to send many of you **GREEN FOR IAN 2020 FLAGS**. Please watch for these in the mail. We urge you to send us your pictures displaying these **FLAGS** and/or other green apparel that you may like.

We hope that along with sending your pictures, you will also make a tax-deductible donation to For Ian Foundation which will go towards pediatric cancer research.
